PHOTOGRAPHY

In past years one page of the Peralta has always been devoted to pictures of students involved in photography. This year we are featuring examples of their art rather than examples of them. Under the direction of Mr. Julian Barnett the number of students in Photography and the quality of their work has increased from year to year. The Library regularly displays the wide variety of subjects that they study and we are happy to offer five samples here. Clockwise, from the right, these pictures are by Tom Brady, Chris Dunlap, Ben Covington, Jim Brock and Brian Olivier.

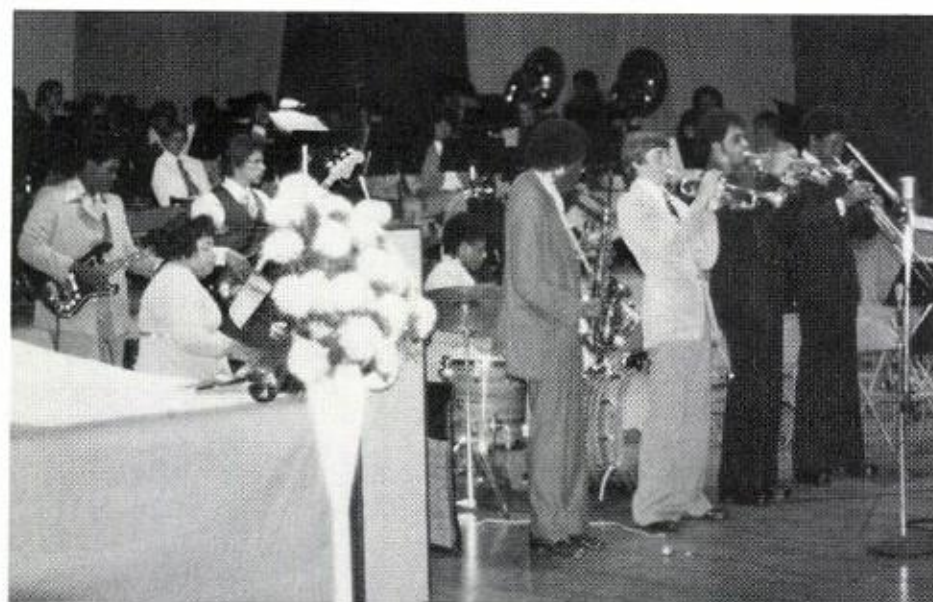

Pictured above and at left are Martial Arts' students Tony Williams, Doug Jones, Angelo Henderson, Jackie Miller during one of their regular practice sessions in Room 101. To dispel any rumors they are not responsible for the holes in the wall.

MARTIAL ARTS

(L-R) Therrin Wendell, Harry Pruyn, Manfred Jones, Derwin Coutee, Arthur Robinson, Jackie Miller, Doug Jones, Mr. Olivier, Tony Williams, Aaron Goods, Larry Frediani, Angelo Henderson, Vernon Jesuitas, and David Crawford.

Featured on these pages are several views of our highly successful and talented St. Mary's Band. Under the direction of Mr. Barrett these musicians, representing all four classes, were a regular part of our activities and were loudly involved at most of our home football and basketball games. The high points of their work for the 76-77 year were in the second semester when they first scored extremely well in the Reno Jazz competition and then played to a standing-room-only crowd for their annual Spring Concert. Outstanding seniors were Kevin Barrett, John Camozzi, Paul Gray and Mark Muldrow.

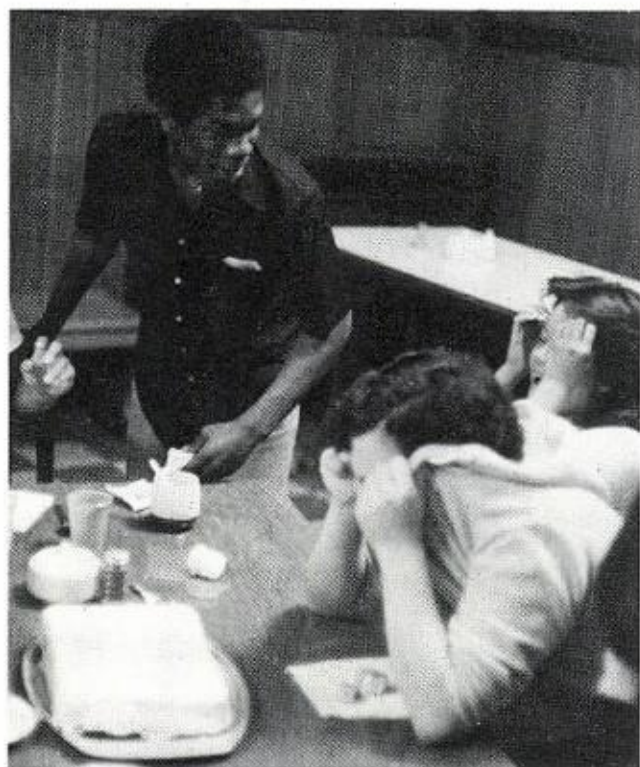

From top left going clockwise; Frank Fisher at trumpet, The Chief directs the annual Spring Concert, On the Bus to Reno, Brad hugging his tuba, John is interviewed for Playboy magazine, and the Jazz Band moves to the beat.

For the past few years the Mass of the Holy Spirit, which commemorates the beginning of the school year, has been held on the lawn behind St. Joseph's Hall.

SPIRITUAL ACTIVITIES

The pictures at left and below illustrate that the generally serious nature of student retreats is balanced with time for recreation and relaxation.

Throughout the year there are a number of religious activities which involve, at one time or another, most of the student body. Masses are celebrated during the first week of school, on Jan. 15 in memory of Martin Luther King, on Founder's Day in May and on all holidays of oblation. Retreats varying in length from one to three days are participated in by a large percentage of the juniors and seniors and by all the freshmen. The Leadership Retreats held in San Rafael bring together potential student leaders from several Bay Area Catholic schools. They work intensively on development of skills and attitudes that will make them better able to serve their schools and themselves.

The Student Council has a decisive role in the majority of the activities on campus. All proposals for action involving the student body or for utilization of student body funds must be discussed and decided upon by the Council. Dates for dances, suggestions for the Administration, development of new campus organizations—these are all topics of consideration during the year. The Council consists of the Student Body officers, the class presidents and the class representatives. They meet biweekly with their moderator, Mr. Louderback, under the chairmanship of Vice President Marlo Manqueros.

THANK YOU

The Pealtan staff wishes to express its gratitude to Father James O'Connor for his contributions to this book. Time and again he made hundreds of pictures of athletic events and campus activities available to us. Virtually all of the football and basketball action shots in this book are his work and represent many hours of developing and printing.

In addition to the black and white photography he provided to the Pealtan, Father O'Connor took many color snapshots at dances and games and, when they were processed, he assembled them on display boards in the library. Part of the fun in any activity is being able to relive it in memory. Father O'Connor has provided all of us with many visual memories. We thank him.

The Black Student Union was one of our more active organizations during the year. At the year's start, they had a get-together picnic. The BSU later celebrated Martin Luther King Week with a memorial Mass and presentation on King's life. Black History Month was observed with a lecture series featuring guests from local radio stations. Concluding activities included a fantastic trip to Great America and a talent show on Founder's Day.

In addition to the construction work on campus, another major change this year was the development of the Spirit Committee under the guidance of Br. John Janeczko. In previous years St. Mary's had had a variety of service and/or rally organizations but never one group that performed both functions so consistently and well. The Spirit Committee staged several student assemblies and rallies; assisted in preparation for special events; established a first semester bowling league; provided class competition for a spirit trophy; and generally attempted to make the student body more aware of what was going on and how to get involved.

Each member of the committee received a card that identified him as belonging to the group and made him, or her, eligible for various prize drawings during the year. Under the student leadership of Jim Muyo the committee provided a genuine boost to campus morale and much is expected of them in 1977-1978.

Pictured on these pages are some of the people and symbols that represent the Spirit Committee's work for the recent school year.

In the Spring of 1976 work began on Phase I of the Saint Mary's Master Plan. The old locker room was demolished and replaced by a bigger, brighter, more efficient facility. In front of the gymnasium a beautifully designed cafeteria/student center took form. The middle of the campus was closed to student traffic and the roar of compressors and pneumatic hammers was continuous. The construction affected everyone: football players dressed in the old Math Lab; all athletes showered in a former storage room in St. Joseph's Hall; basketball practice took place at Albany Village on a linoleum tile floor; students developed their leg muscles on the three-story hike to see Br. David after school; and several teachers sharpened their mountaineering skills by hopping fences in order to avoid that same hike.

These pages contain pictures taken at various stages of the work.

SPORTS

The 1976 Varsity football team: Front Row (L-R) Ronald Woods, Stan Spurgeon, Pete Bilbao, Mike Tomas, Mike Ramirez, Peter Buick, Morris Whitner, Ernest Cash; Second Row Menton Pryor, Ben Rodriguez, Ahmad Anderson, John Cucich, Marcus Edwards, Harry Lipnosky, John Camozzi; Third Row Marlo Manqueros, Chris Bell, Reggie White, Cedrie Strong, Richard Bertero, Ken Gardner; Fourth Row Ron McLen, Doug Pryor, Corey Sanders, Mike Rayon

The 1976 Panthers were 2-6-1 for the season. Highlights of the season were the renewal of the Albany rivalry, a resounding victory over De La Salle and the excellent play of Corey Sanders and Ronald Woods. Defense was featured in the victory over the Cougars and the St. Mary's unit was particularly strong. The outstanding play of the game was made by Ben Rodriguez who blocked what appeared to be a sure touchdown pass. In this and in the Piedmont game Sanders was a stand-out at linebacker. His exceptional play earned him a selection to the all-CAL team. The offense struggled for much of the year but was at its best while Woods was playing. Until he received an arm injury in midseason, he had been averaging 100 yards a game.

FROSH FOOTBALL

The 1976 freshman football team lost two games before realizing they were the best team in the league. The shutout of Salesian paved the way for a four game win streak, highlighted by an impressive upset of previously undefeated De La Salle. Because the team had both depth and balance, virtually every player made an important contribution to the team's success.

Individuals who merit special note include: on offense, quarterback Ralph Beachum, running backs Ron Elliott and Henry Strong, flanker Don Ward, guard David Kelly, tackle Elton Baptiste, tight end DiCarlos Thomas; on defense, line backers Kevin Cullen and Steven Moore, middle guard Steve Manning, ends Tobben Brekke and Brian Mathis, and cornerback Scott Pearse; on special teams, Chris Larson, Ed Broussard, Kelvin Warren, and Jose Cuevas. Assisting head coach Jack McClenahan were Paul Perenon and Adolph Bertero.

Don Ward leaves Salesian defender biting dust.

Marlo dumfounds Dragons with dazzling DUNK!

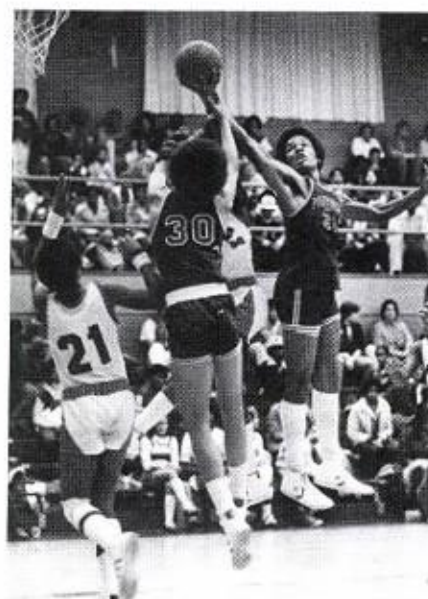

The Panther varsity amassed more victories in the 1976-77 season than at any time in the last decade. Their overall record of 27-7 earned them a place among the top ten in the East Bay and for much of the season were highly rated in the Examiner's Northern California poll. Highlights of the season were a 12-0 Catholic Athletic League record including the round-robin championship and a second consecutive title in the Pinole Valley Tourney.

Everyone on the team contributed to its success, notable examples being the following: Darrell Mellion's 30 point effort against Salesian; Doug Murrey's fine offensive and defensive performances that earned all-tourney honors at Richmond and Pinole; Ed Hines' rebounding and scoring in the first Panther win at St. Joseph's; David Brown's season high of 23 points against Mt. Eden and Roland Moore's outstanding play-making including all-tourney selection at Pinole.

All-League honors and the attention of college recruiters were accorded both Mellion and Murrey, both of whom were outstanding varsity players for three years. Lavale Benson, whose passes and dazzling drives always excited the fans, and Marlo Ross, the big man on the team at 6-6, received honorable mention in the C.A.L. balloting.

At left, Tommy Pearse rounds third and heads home to score in an early season Panther victory;

Below Al Smith releases his
strikeout pitch

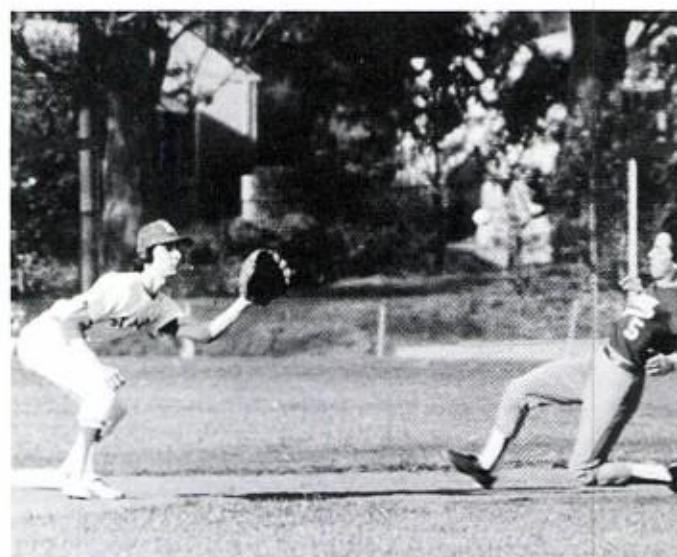

"I can understand switching Roland to catcher, but why is Al bringing in Corey to pitch?"

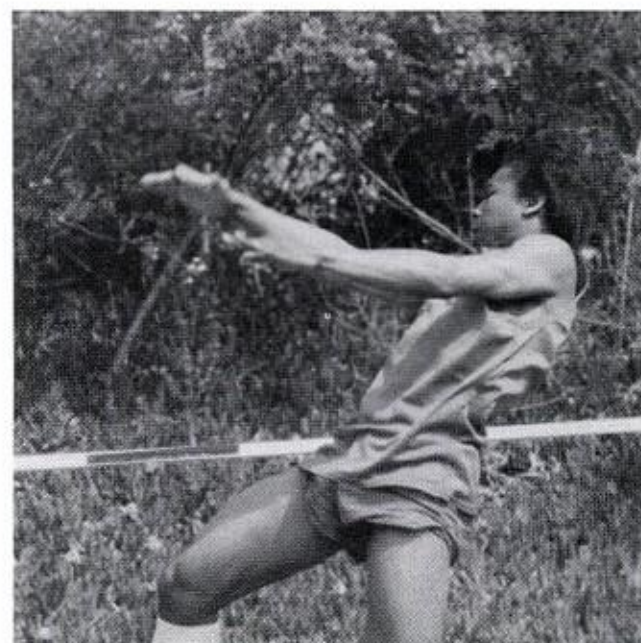

Left to right, standing; Coach Adolph Bertero, Sam Miller, Ralph Beachum, Vince Rhea, Kevin Cullen, Daniel Cullen, Tony Williams, Mark Hodges, Denis Hebert, Coach Paul Perenon, kneeling; Bill Larkin, Eric Politzer, David Kelly, John Adams, Ed Fahey, Eric Saddler, Scotty Pearce and Chris Doherty.

determination at the pit

As usual the St. Mary's track provided the opportunity for a tremendous number of students to participate in interscholastic athletics. Several of the outstanding competitors are featured on these pages. Of particular note are: distance runner Tom Werner who is likely to hold school records in the 880, mile and two-mile by the time he graduates; high jumper Matt Tomas; long jumper DiCarlos Thomas; and pole vaulters Pete Bilbao and Pat Campi.

In what has become almost an annual event, the Frosh/Soph team won the league championship and should provide quite a few points for the varsity in next year's C.A.L. competition. Congratulations are extended to the team and to coaches Mark Moyer, Jack McClenahan, Rich Trusendi and Br. Kevin Woods.

Robin Reed prepares for a powerful forehand

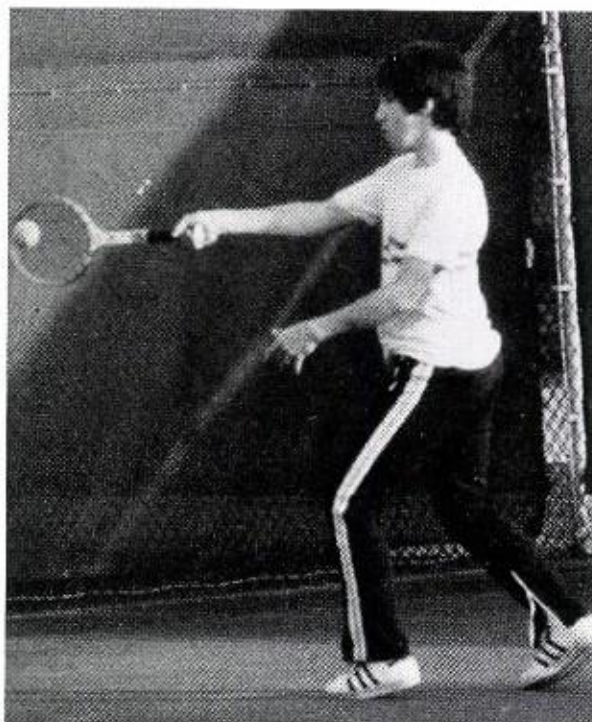

Highlighting the 1977 St. Mary's tennis team was the play of Scott Montgomery. Consistently outstanding, Scott is expected to be number one player in the league next year according to Coach Maurice Harper. Also providing strength to this year's team was the brother combination of Marlo and Marty Manqueros. Though the team has no home court to practice on and has had three different coaches in three years, they have always been in the battle for the Catholic Athletic League title.
